A tribute is a great way to celebrate your child's graduation from elementary school and send your child off to Middle School with an encouraging message or congratulations! Your 1/4 page recognition ad is placed in the back pages of the yearbook. Be creative - you can make a photo collage, a poem, a quote, an illustration, or anything else you can think of. Due to limited spacing the book there is only room for **One Tribute Per Child**.

You can design your own 1/4 page tribute at www.PictavoCommunity.com which is similar to using Shutterfly. After you create an account, choose Recognition Ad. Use the yearbooks software to upload your photos, choose a template, change text color/size/font/backgrounds, etc..everything is customizable. All tributes are approved by the yearbook staff before they are included.

OR You can choose to design your own tribute using Photoshop, InDesign, Illustrator or another similar software program. You must submit a JPG or TIFF format at 300 dpi sized at 3.8" x 5" It must be emailed to RooseveltTribute@gmail.com by the February 28th. Bring checks made out to ROOSEVELT PTA and place in the Yearbook Mailbox with the form below. **We are not able to accept PDF or WORD files.**

OR Erin Neumeyer will create it for you starting at \$25. Email your design request to Erin at RooseveltTribute@gmail.com along with your text, color preferences and images.
