

BETSY ROSENTHAL AUTHOR VISIT

TK / Kindergarten & 1st Grade

Your child will be attending a very special event on January 31st with author Betsy Rosenthal reading and discussing her whimsical picture books Porcupine's Picnic: Who Eats What? and An Ambush of Tigers.

Porcupine's Picnic: Who Eats What?

Porcupine is going on a picnic! First he's joined by Koala. Then Squirrel scampers down a nearby tree. Porcupine offers to share his clover. But Koala eats eucalyptus, and Squirrel loves acorns! What will they all eat? Luckily each animal has brought along the perfect food. Tortoise, Butterfly, Ostrich, and other animals join the fun. Everything is going well until Tiger shows up. Uh-oh! This sweet and slightly scary story is the perfect bite-sized introduction to herbivores, omnivores, and carnivores.

An Ambush of Tigers A Wild Gathering of Collective Nouns

Have you ever heard of a **prickle** of porcupines? Or a **tower** of giraffes? What about a **parcel** of penguins? This fun-filled romp through the animal kingdom introduces collective nouns for animals through wordplay. Clever rhymes and humorous illustrations bring these collective nouns to life in funny ways, making it easy to remember which terms and animals go together. A glossary in the back matter offers further explanation of words used as collective nouns, such as **sleuth** meaning "detective."
